Tanya Barrios Returns to Keys Federal Credit Union

Keys Federal Credit Union is proud to announce that Tanya Barrios has been hired as Controller. After a brief one-year hiatus with the Monroe County School System, Barrios returned to the Credit Union to continue her sixteen years of service.

Scott Duszynski, Keys Federal Credit Union's President/CEO, said "Keys Federal Credit Union is very fortunate to have Tanya back as part of our team. Her knowledge and hard work lead to a consistency that any employer would be lucky to have, and her experience in the Credit Union industry makes her invaluable. Welcome back Tanya!"

During her tenure, Tanya held various positions throughout Keys Federal Credit Union. She joined the credit union in May 1994 as a teller for the former Boca Chica branch. In September 1994 she became a phone center representative and a pioneer of the credit union's first phone center teams. In 1996 she was promoted to Phone Center Manager. In 1999 Tanya was promoted to Accounting Manager and in 2005 promoted to Assistant Controller.

As a true Conch, Tanya is actively involved in the Key West community having been a member of the Sunset Rotary Club and the Community Connectivity Council; she has also served on the Facilities Committee for the school board and as Vice President and President of the School Advisory Council.

Tanya earned her bachelor's degree in Business Administration/Economics from the University of South Florida.

Membership is open to everyone who lives or works in the Keys.
