Keys Federal Credit Union Supports the USS Spruance

In its continued support of the military community, Keys Federal Credit Union is proud to be a sponsor for the Commissioning of America's newest warship, the USS Spruance.

Keys Federal Credit Union's CEO, Scott Duszynski, presents the USS Spruance Commissioning Committee with a check for \$1,000.

Although Key West has a long and proud naval history, it has never commissioned a large warship. The commissioning is the most significant event in the life of a ship and Key West is honored to have been chosen as the USS Spruance's destination of choice. Join Keys Federal Credit Union and Key West community leaders on Saturday, October 1st, at this historic event.

Keys Federal Credit Union is a not-for-profit financial institution open to everyone who lives or works in the Florida Keys and their family members. The credit union offers a full menu of loan products including auto, boat, motorcycle, signature, mortgage and home equity loans. Offices are conveniently located at Peary Court, Overseas Market and Southard Street in Key West, Big Pine Key and Marathon Shores.

Membership is open to everyone who lives or works in the Keys.
