Keys Federal Credit Union Adopt a Family for the Holidays

In the spirit of the Holidays, Keys Federal Credit Union presented a \$300 check to Wesley House Family Services to adopt a family this holiday season. Each year the Wesley House coordinates the adoption of families for the holidays, providing Christmas trees, gifts, food and necessities to families in need.

Keys Federal Credit Union's CEO, Scott Duszynski, said "No child should be without the gift of sharing the holiday season. Keys Federal Credit Union is proud to be a small part of making the holidays a little more special for one local family."
